SUMMARY

Recent graduate from The Iron Yard, Cohort 4, Ruby on Rails. Searching for a job in the Triangle.

EXPERIENCE

STUDENT, THE IRON YARD, DURHAM, NC – MAY - JULY 2015

Took the Iron Yard's Ruby on Rails class. Nine weeks of lecture, 3 weeks of Final Project work. Worked on a team of three on Jam Connect, the site where musicians connect based on what matters most: the music. Musicians can quickly find and listen to other musicians near them and decide if they like them. Their likes are stored. Musicians can also make Jam Circles. Jam Circle is the neat and simple feature that allows online music collaboration.

STUDENT, INTRO TO PROGRAMMING, DURHAM TECH, HILLSBOROUGH, NC – SPRING 2015

Took Durham Tech's Intro to Programming and Logic Class. Final Grade: A.

STUDENT, CODE THE DREAM, DURHAM, NC – FALL 2014

Took Code the Dream's course as an intro to programming. Built a photo-sharing site, somewhat like Pinterest, but much simpler.

EDUCATION

The Iron Yard, Durham, NC – Graduate, 2015

Durham Technical Community College, Durham, NC – 2014-2015 School Year

Chapel Hill High School, Chapel Hill, NC – Graduate, 2014
