github: [cruznunez](https://github.com/cruznunez)

Rails developer with proven leadership and creative ability. Seeking to apply skills to the tech industry as a developer; front, back, or full stack.

TECHNOLOGIES

- Ruby on Rails
- Test Driven Development
- REST
- SQL
- Github
- HTML
- CSS
- JavaScript
- jQuery
- D3.js

EXPERIENCE

Garbage Gears, Spring-Summer 2016

Currently the Main Developer on a SaaS app for a trash company. Project is in mid-stages of development.

El Pueblo Menu, Summer 2016

Created a strategic planning app for El Pueblo, a Latino advocacy organization in Raleigh, NC. The custom survey allows people to voice their opinions on what they think the organizations should focus on for the next five years, and the results are displayed in a simple and elegant form.

The Iron Yard, May - July 2015

Rigorous 12-week coding academy, 60+ hours per week. The curriculum's primary focus was web development using Ruby on Rails, with significant experience with JavaScript, AJAX, and CSS.

Created [Jam Connect](#), a web app for musicians, as part of a three-man team. Programmed the majority of the database layout, the account setup, and the Jam Circle feature, allowing musicians to build songs together online, piece by piece.

Code the Dream, Fall 2014

Introductory web development course. Created a Pinterest-style photo-sharing site using Ruby on Rails and Bootstrap. Selected by instructors as the top student in my class and awarded a scholarship to the Iron Yard coding academy.

EDUCATION

Durham Technical Community College, Durham, NC, 2014 - 2015

3.6 GPA; Courses included Differential Equations, Physics and Biology

Chapel Hill High School, Chapel Hill, NC - Graduate, 2014

4.4 GPA; 94th percentile on SAT math; 98th percentile on ACT math

AWARDS

Code the Dream Scholarship, Code the Dream - Winner, May 2015

\$12,000 for The Iron Yard tuition

Felicia Brewer Scholarship, Triangle Community Foundation - Winner, May 2014

\$50,000 for college tuition & books
